### The Pines at Lindsey Wilson Course Rules & Policies

**Check-in Policy:** All members and guests are required to check in with their member ID card in the pro shop prior to teeing off.

**Proper attire: No metal spikes are permitted on course.** Golf or other athletic shoes must be worn at all times (no boots or other shoes that would damage the greens). Shirts are required, no exceptions.

**Course rules:** All play begins on the first hole. The course is to be played in order (no skipping holes). Pace of play is four hours. Faster groups are to be allowed to play through to keep pace of play moving smoothly. No practicing is allowed on the course (there are putting and chipping greens available plus driving ranges and practice bunker). No more than four players to any one group. Please rake bunkers and repair ball marks on greens.

**Driving range:** Range balls must be picked up in the pro shop, including golfers on the range plan. Collecting balls on the range is not permitted. All range balls must be hit or left on the range (**any hoarding of range balls in bag or vehicle is considered theft**).

**Guest policy:** Adair County residents who are not members may accompany current members at the posted greens fee rate. Adair county residents are permitted up to four rounds per year with a member. Included with a single membership - immediate family members are allowed up to 4 rounds per year at no charge. Immediate family members may pay a greens fee beyond the four complimentary rounds.

**Golf cart policy:** Members and guests are asked to keep their personal or rented carts at least 50 feet from greens. No carts are permitted on the clubhouse lawn near the practice facilities.

**Rental cart policy:** Operators must be at least 16 years of age. All riders must pay cart fee. Cart fees are \$10 per rider.

**Cart plan policy:** Golfers on the cart plan enjoy unlimited use of a rental cart. Tee times are not required; however reservations are strongly recommended, especially weekends. Individual or family cart plans are available. Family cart plans are required for family members to ride with primary operator. Family members ages 16 & up may operate carts. Cart plan members are not permitted to share cart with anyone who has not paid rider fee. Riders must share cart in same group (2 singles may not take 2 carts).

**Member charge account:** Members are able to set up declining-balance accounts in the pro shop for food and merchandise. Any account with a negative balance will be billed at the end of each month. Members will not be permitted to charge additional items until account is brought current.

**Hours of operation:** Please check with the pro shop for the current hours of operation.

**Hours may be adjusted for inclement weather, holidays, and facility maintenance.** The golf course and driving range will be closed on Thanksgiving Day, Christmas Day, and New Year's Day. During periods of heavy rain, storm damage, accumulation of snow, or at or below freezing temperatures, the golf course and driving range will be closed at the discretion of the groundscrew.
